

VILLA TERESA®

SECCOSO FRIZZANTE
BIOLOGICO METICO®

Variety:

Made from a careful selection of grapes mainly picked in Veneto region. No synthetic fertilizers or pesticides are used. Absolutely no GMO.

Winemaking:

“White”: the must is immediately separated from the skins to enhance freshness and fragrance. The prise de mousse takes place at low temperature in pressure tanks.

Tasting Notes:

Pale straw yellow colour with fine bubbles. Fruity and acidulous wine, slightly aromatic with notes of honey and flowers.

Food Pairing:

Excellent on all occasions, it goes well with fish and any type of dish.

Serving Temperature:

6/8°C.

Alcohol:

11% vol.

Sugar:

13 gr/l

Total Acidity:

5,5 gr/l

Pressure:

2,5 atm

Packaging:

0.75 lt x 6 or 12 bottles in cardboard box. Available with klik cap (Metico®).
